# 76-77 Dedication

Many people do not realize the many things that a band director of a championship band does behind the scene.

There are many endless hours of selecting songs for marching, concerts, and contest; rewriting many songs; arranging the competition show; meeting with other directors; attending workshops; working with each student; and the list goes on.

Without the dedication and love of our director the D-W band would not be the champions they are today. And for that reason we are proud to dedicate this 1976-77 yearbook to you, "Mr. Roger Sampson."

Howard Gantz, President

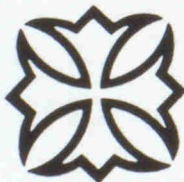

Marjorie Huisinga, Mike Perkins, David Gregory, Bill Floyd, Jerry Palmer, Al Perring

## BOARD ADMINISTRATION

Under the leadership of Mr. Bowen, Mr. Gantz, and the Deland-Weldon School Board, our school year progressed smoothly. We appreciate their efforts to maintain a sound educational program for the students in this school district.

With a great deal of community cooperation, a bond referendum was passed in 1976.

Robert Bowen, Superintendent

Marie White

Emily Colbert

Esther Floyd

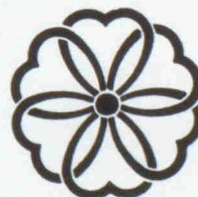

Jerry Heller, Principal

Marie White retired in May, 1976, after having worked in District #57 for 28 years. She is missed by administrators, faculty, and students.

Emily Colbert replaces Marie. We are happy to have her with us.

Esther Floyd is Mr. Heller's secretary and also supervises the office. She is the most cooperative, helpful, and patient lady we students and faculty could ever hope for.

# Eagles Win

Roger Twist

Darrell Carr

Scott King

The Eagles started off the season with several goals to achieve. One that was most important was to get as many scalps for the 50 point club. They held 20 of their 27 opponents to 50 points or less. This defensive pride enabled them to hold opponents to an average of 50.3 points a game which was the BEST defensive team effort in all the Champaign-Urbana and Decatur area. They also broke the school defensive record twice-holding an opponent to just 20 points.

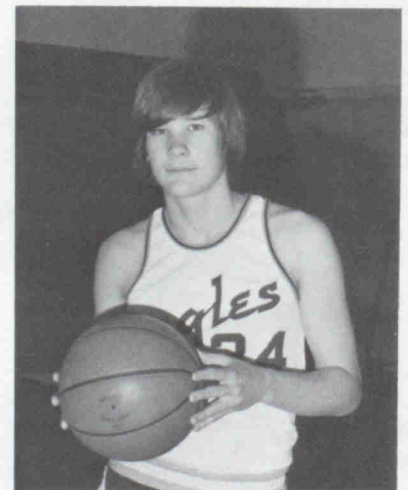

Scott Pearl

Dean Worthey

The goals were to win the Tolono Xmas Tournament, The Eagle Classic, 20 games, the Sangamon Valley Conference, the Regional, and the Sectional. They accomplished four of their goals and 2nd in another. Next year's team goals will be exactly the same with at least the Super Sectional step as one of the additional goals. With this year's Varsity "breaking the ice" and "Laying the groundwork", they want to continue to improve their record and travel to the Sectional and Super Sectional. Thanks to a dedicated, hardworking group of basketball players, the Varsity ended up 21-6, Frosh-Soph 12-6, and the Frosh 4-0. This was a year that will not be forgotten for many a year. Congratulations on a super season.

This was the second year for girls volleyball. Although the teams put forth a great deal of effort and determination, they were not able to have a record like they would have liked to have.

DeLand-Weldon was the host of the District games. We did not get to participate in the games because we were eliminated by Maroa in the pre-district tournament. The girls would like to express their appreciation to Mrs. Poff and to the parents and fans who supported them throughout the season.

This years track team had many triumphs. Off to a running start was Les Rich, Roger Twist, Rick Rudisill, and Randy Wisegarver, setting a school and Piatt County record for the 440 yd. relay at a 46.3 time.

Also a school record for the 2 mile relay was set by Dan Bolin, Gary Scott, David Norton, and Rick Duggins.

Roger Twist had two individual triumphs by setting school records in both the 330 yd. low hurdles, 42.9; and the triple jump, 38'10".

A school record in pole vaulting was set by Jim Reed, a vault of 11'9".

# Are "Class D"

Mr. Sampson felt that the competition held at Eastern Illinois and the University of Illinois were the highlights of the marching season. The competition at Eastern proved that the band can compete and win against schools many times their size and structure. The competition at the University of Illinois was a special highlight because they won so convincingly against schools their size. To win the field division by more than twenty points was a thrilling climax for the season and acknowledged the band's efforts in the most appropriate way.

Mr. Sampson stated: "I wish to extend my personal congratulations to each band member for his outstanding accomplishments this past year in band. Through your willingness to dedicate yourself to becoming the best, you have achieved much more than material gain. The hard work involved in becoming a champion is something that only those who are in the band will ever realize. To each of you, thanks and again, CONGRATULATIONS!"

## *"We've Made It"*

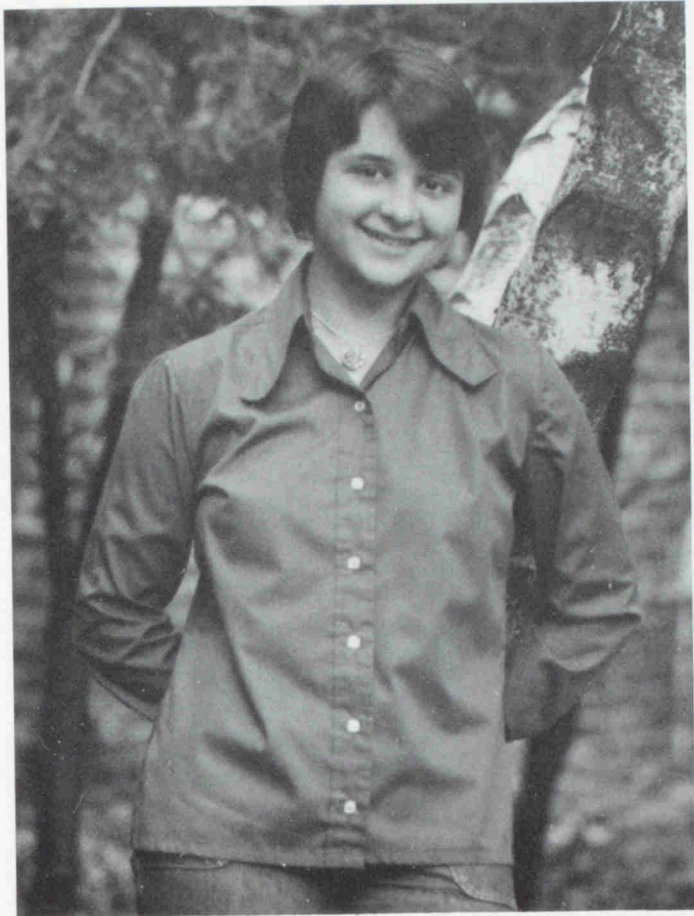

Senior Class Officers: Kathy Maiden - President; Roger Twist - Vice President; Gina Olson - Secretary; Kim Colbert - Treasurer; Tim Clifton - Student Council; Sponsors - Mrs. Blackburn and Mr. Edman.

The Class of 1977 have reach their destiny of high school and now shall go out and begin a new life. It seems sad to leave all our care-free days behind us, but the time for us to go and face the real world has come. And as we leave D-W we will always remember the fun-filled memories of our school days with our special friends and teachers.

We cannot leave without expressing our appreciation for the help from our two sponsors Mrs. Blackburn and Mr. Edman, so to them we say "THANK YOU," for all you did for us.

# Dolores Delights D-W

The new face in school this year belongs to Dolores Wirts, our AFS student. Dolores is staying with the Howard Poff family. She is from Sao Caetana, Brazil, where she lived with her brother, sister, and parents. Her father runs a grocery store there with the help of her mother.

Dolores adjusted to many changes here. In her school there were over a thousand students, quite a bit larger than D-W. Also, the tropical climate of Brazil did not prepare her for our cold winter. On the coldest day in Brazil, the temperature does not go below 40°.

Dolores is experiencing a new country and new friends. We hope that she carries away as many pleasant memories of D-W as she has given us.

Greg Twist breaks through to lead the Eagles to a Homecoming Victory.

# Homecoming 1976...

The Week of Homecoming was filled with excitement and craziness. Kids spent study halls decorating walls and evenings fixing floats.

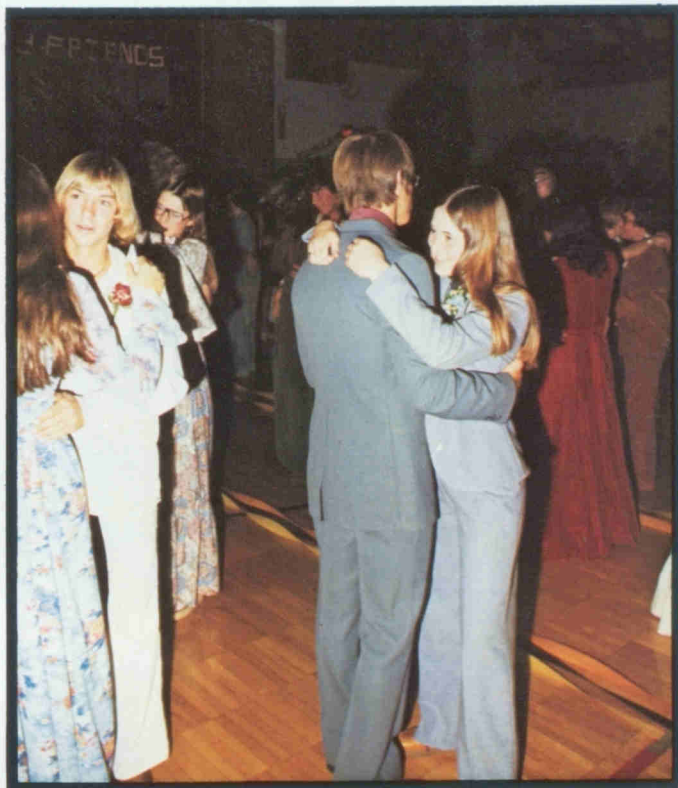

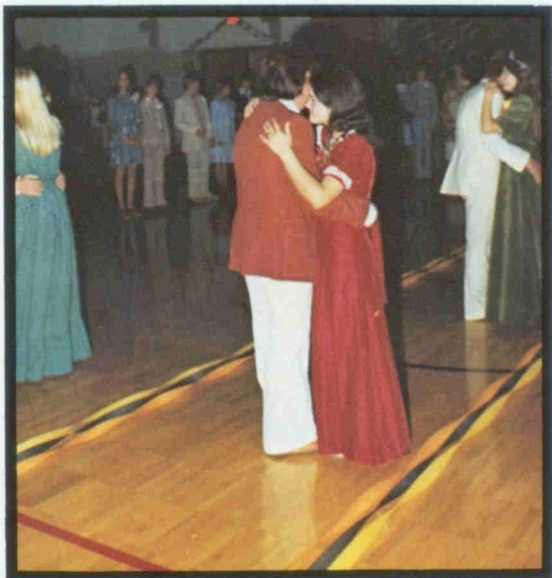

As for the night of Homecoming, the Band performed their competition show before the football game. Half-time entertainment consisted of pom-pom girls and a parade of floats and queen candidates. The football team made the night perfect by winning the game 47-0 against Heyworth.

After the game the grand march and dance followed in the gym. MC for the march was Shawn Hiter and Joe Disney crowned the King and Queen.

The Homecoming Court for 1976 was Freshman Attendants - Leslie Disney and Carl Parrish; Sophomore Attendants - Suzie Colbert and Jeff Davis; Junior Attendants - Tara Langley and Dean Worthey; Senior Attendants - Lynn Kallembach and John Weaver; King and Queen were Kim Colbert and Roger Twist.
